Orlando Christian Prep Families,

I am so grateful for each of you. Orlando Christian Prep is a great school because of you. I realize that it is a financial sacrifice to provide a private Christian school education. Thank you for the investment you are making in the life of your child.

I have learned first hand the benefits of a Christian education. In 1970, my grandfather started a Christian school movement when he founded the American Association of Christian Schools. His early work filtered down through our family as the next three generations attended Christian schools.

As a product of Christian education, I know what it can do to change the lives of so many. It is my desire as the president of Orlando Christian Prep to give more families this opportunity. For this reason, and after much consideration, we have made the decision to lower our tuition prices, making our school more affordable.

Ultimately, it was an easy decision when we considered the families that would be positively impacted. While the costs will be decreasing, I want to make it clear we will NOT sacrifice your child's learning environment. The services provided by Orlando Christian Prep will continue to improve every year as we strive to train world changers. We are confident that we will continue to be the great school you expect and to meet all of your expectations.

The 2017-2018 school year tuition rates are now posted on our revamped school website at www.orlandochristianprep.org

We are hosting an Open House for prospective families on Sunday, January 29 from 2PM to 4PM, and on February 1st, we will open enrollment to new students. We ask that you spread the word about Orlando Christian Prep, and allow us the opportunity to provide a quality Christian education to even more families!

Thank you for your dedication to our school! We believe the best days are ahead!

In Christ,

Dustin Janney
President
Orlando Christian Preparatory
